

Dear Resident

Neighbourhood Plan: Steering and working groups training

The second well attended working group meeting held on March 27th in Kingsdown Village Hall and hosted by Jim Boot and Alison Eardley, looked at evidence gathering and mapping – covering important views, green spaces and transport (getting around). We would now like to invite **everyone** - whether you have attended previous meetings or not - to a further training session for the steering and working groups on **25th April at Kingsdown Village School starting at 7pm**. This session will focus on the local economy (shops, pubs and other businesses) and community facilities (halls, schools, churches etc).

Please come along and lend your local knowledge and expertise.

We look forward to seeing you there, even if you haven't attended any previous meetings!

Residents from Ringwould who need a lift please contact swilson@ringwouldwithkingsdown-pc.gov.uk also if you have space in your car and can offer a lift.

Please continue to send your photographs of your favourite views to us!
Thanks to those who have contributed so far.

Best regards

Ringwould with Kingsdown Parish Council
