Supplementary report to accompany AIAR 2022-23

I have completed the Annual Internal Audit Report (AIAR) for 2022-23. I have answered “No” to question H and my explanation is set out below.

H Asset Register

Not available for review.

At the date of my audit on 26 June, work is underway on a review of assets. There are some uncertainties in ownership that the review aims to resolve.
