

RINGWOULD WITH KINGSDOWN PARISH COUNCIL

Report from the Clerk

52/22 Clerks Report and Updates

Public Rights of Way, other paths and pavements

Our village caretaker, has been clearing the PROW that starts from the Deal/Dover road, it is expected that this will be fully cleared of the long grass and weeds, by the end of today, (09/05)

Freedown Wood.

It has been reported that people are lighting fires, this is not a sensible idea to have fires or BBQ's alight in the very dry season we appear to be in the middle of. If you see anything, you can report it by dialing 101 or on line to the police or if you wish to remain anonymous you can call crimestoppers or report it on line.

Allotments

The vacant ones have been allocated, we still have some people on the waiting list, and will allocate as soon as plots become vacant.

The boundary fence adjacent to The Drove needs to be put in place, and the Council will be looking at this.

Jubilee Celebrations

A letter has been sent to the residents of Ringwould, so please can you reply as soon as possible. This will allow the Council to arrange the final details.

Communication with the Parish council

The Community Warden visited the Tea and Natter at the church in Ringwould on Thursday last week.

Also, the PCSO has sent in a report, see his report below, although noted that the theft from Kingsdown church is not listed.
