

Oxney Woods Community Tree Planting Event

Every weekend in February at 10am each day meet at the top of the farm road, off Ringwould Rd.

(<https://w3w.co/awake.released.panicking>).

Limited parking here – please don't block the gate and please car share.

We have lots of trees to plant (Birch, Rowan, Oak, Beech, Alder, Field Maple, Hazel etc) – it will be hard work – we need to clear some scrub as we go. Please bring thick / thorn proof gloves, refreshments, don stout footwear and wrap up warm! Limited tools are available – if you can bring your own spade and other useful tools (loppers, pruning saw) that would be great.

Please read the risk assessment on our website before attending.
